Gala

SATURDAY, FEBRUARY 11, 2012

*“Reach high, for stars lie hidden in your soul.
Dream deep, for every dream precedes the goal.”*

Tonight we would like to welcome all of you to the 3rd annual St. Margaret Mary Gala. Over the last several months, many hours of hard work and dedication have been put into this event to ensure we have another outstanding and successful evening.

Educating our children is one of the most significant gifts we can provide to each of them during their lifetime. St. Margaret Mary School offers an excellence in education which rises above the rest. The remarkable experience at St. Margaret Mary allows each student to accomplish great achievements. These achievements will continue on with our students throughout their life experiences.

In order to continue St. Margaret Mary’s outstanding educational program, we must rely on the support of our parents and friends. We would like to thank you for being our guest tonight and confirming your belief in the quality of education at St. Margaret Mary. Your attendance and the financial support you offer helps to ensure the unending achievements of our school.

It is our hope that you enjoy your evening. We thank you once again for your never ending support. It is always greatly appreciated.

Silent Auction Rules

- Each auction item is numbered and there is a corresponding numbered bid sheet for each item.
- In order to bid, you must have an auction bidding number. (Your number is printed on the back of this program.) Please use only the bid number that is assigned to you when bidding. Your number is your identification. If you desire to bid on an auction item, you can enter your auction number and the amount you are bidding on the Silent Auction bidding sheet. (We ask that you please do not remove the bidding sheets from the tables.)
- Some items may have a minimum bid and a minimum bid increment increase amount assigned. These will be clearly marked on the bidding sheets. If the minimum bid increase amount is not adhered to, the bid will be disqualified. If the minimum amount is not reached by the close of the auction, the item will not be sold.
- A legible bid number constitutes a final bid at the predetermined amount.
- The silent auction begins at 7:00 p.m. Closing times of the Black section will be at 8:45 p.m., the Red section at 9:30 p.m., the Kids Creations & Bonus section at 10:15 p.m. and Gold section will be at 11:00 p.m.
- Items may be added to or deleted from the auction at the discretion of the Gala Auction committee.
- All auction items, goods, and services expire as described and may not be extended or modified without the written consent of the donor. Please read all limitations and restrictions carefully.
- All Sales are Final. All auction items are sold “as is” with no express or implied warranty or representation of any kind or nature with respect of any item. Bidders should rely entirely on their own inspection. In no event shall St. Margaret Mary or any donor be responsible for the correctness of or be deemed to have made any representation or warranty of merchant availability, fitness for purpose, description, size, medium, genuineness, attribution, provenance, or condition concerning the property, and no statement set forth in this program or made at the sale or in the bill of sale or invoice or elsewhere, whether oral or written, shall be deemed such a warranty of representation or an assumption of liability.
- Auction items should be paid in cash, check, MasterCard or VISA the night of the event. Checks can be made payable to St. Margaret Mary Gala. We would greatly appreciate your efforts in paying and picking up your purchases that night. In the event you are not present at the time of settlement, a member of the Gala committee will contact you to arrange settlement and pickup of your purchases.
- Buyers are responsible to the IRS for any tax deduction claims. Tax deduction claims may only be made if the price exceeds the fair market value of the item and then only in the amount over that value.
